Department of Chemistry

MSc in Analytical Chemistry

Course Fee : LKR 275000 Starting Date: June 2022 Deadline: 25th April 2022

Target Audience : Graduates who are planning to pursue MPhil/PhD in a relevant field, graduates who work / plan to work as chemists or any related area, and teachers - chemistry

Course Coordinator : Dr. Hasini Perera hasini.perera@sci.cmb.ac.lk ☎ 112503367

MSc in Applied Organic Chemistry

Course Fee : LKR 275000 Starting Date: June 2022 Deadline: 25th April 2022

Target Audience : Graduates who are planning to pursue MPhil/PhD in a relevant field, graduates who work / plan to work as chemists or any related area, and teachers - chemistry

Course Coordinator : Dr Ireshika De Silva hicdesilva@chem.cmb.ac.lk ☎ 112503367

Department of Nuclear Science

MSc in Medical Physics

Course Fee : LKR 285000 Starting Date: July 2022 Deadline: 25th April 2022

Target Audience : Graduates who are planning to work or pursue MPhil/PhD in a relevant field, and graduates who are working or planning to become physicists, academics, or any other relevant position

This program is more suited for candidates with solid Physics and Mathematics or Engineering backgrounds.

Course Coordinator : Dr. Jeyasingam Jeyasugiththan jeyasugiththan@nuclear.cmb.ac.lk ☎ 112502525

MSc in Nuclear Science

Course Fee : LKR 250000 Starting Date: June 2022 Deadline: 25th April 2022

Target Audience : Graduates who are planning to pursue MPhil/PhD in a relevant field

Course Coordinator : Dr. Manuja Lamabadusuriya manuja.lama@nuclear.cmb.ac.lk ☎ 112502525

Department of Zoology and Environment Sciences

MSc in Climate change and Environmental Management

Course Fee : LKR 250000 Starting Date: August 2022 Deadline: 25th April 2022

Target Audience : Graduates and professionals who are working or planning to work, and wish to pursue higher studies in areas related to climate change and environmental management

Course Coordinator : Prof Erandathie Lokupitiya erandi@sci.cmb.ac.lk ☎ 112503399

MSc in Environmental Science

Course Fee : LKR 250000 Starting Date: June 2022 Deadline: 25th April 2022

Target Audience : Graduates who are planning to pursue MPhil/PhD in a relevant field, researchers, and scientists

Course Coordinator : Dr Devanmini Halwatura devan.halwatura@zoology.cmb.ac.lk ☎ 112503399
