What is DBA?

DBA is a 'professional doctorate' with a focus on business practice with the deep understanding of related theoretical underpinnings. DBA program and its candidates pivot on making a seminal contribution to their chosen profession and industry.

For Whom?

DBA is for senior executives in established business entities and should possess at least Master's Degree or MPhil from a recognized university.

How to Apply

Candidates can apply online through fgs.kln.ac.lk Further, candidates are required to e-mail soft copies of duly completed application, payment slip (application fee), certified copies of degree certificates and other qualification certificates and a certified copy of your birth certificate to the below email address.

Application Closing date : **22nd June 2022**

Programme Commences : **31st July 2022**
