UNIVERSITY OF MORATUWA
Dept. of Computer Science & Engineering

Vacancies for Professional Translators (Sinhala-to-Tamil)

The Department of Computer Science & Engineering (CSE), University of Moratuwa invites applications for the Professional Translators positions in Sinhala to Tamil for an ongoing research project. We could consider either full-time or part-time work arrangements.

Requirements:

- Ability to translate formal documents from Sinhala to Tamil or vice versa
- Ability to write correctly in at least one of the aforementioned language pairs, with no grammatical or spelling errors
- Professional experience as a translator from Sinhala to Tamil, preferably in government sector
- Ability to read and type English and Sinhala/Tamil in computers
- Ability to use the Internet and email to exchange information and for coordination
- Ability to work independently, communicate effectively, meet deadlines
- Willingness to work hard, be responsible, and use new technologies

Interested individuals should email applications with a CV attached to **sitacseuom@gmail.com** with "Application for Professional Translator" as the subject line by **17th February 2021.** Include contact information of 2 referees in the CV.

Registrar, University of Moratuwa
