## ACADEMIC VACANCIES

The Sri Lanka Institute of Information Technology (SLIIT) is a pioneer in the higher education sector of Sri Lanka and offers undergraduate and postgraduate degrees in a wide range of disciplines ([www.sliit.lk](http://www.sliit.lk)). It is committed to providing the best student experience through a dedicated group of academic and non-academic staff members.

SLIIT Business School is a leader in business education and research with a substantial demand for its undergraduate and graduate programs. We are looking for highly qualified and dynamic individuals who can make a difference to the business education and research and strengthen our identity and competitiveness.

We are inviting applications for positions at the ranks of **Lecturer (Tenure-Track) and Assistant Lecturer (temporary)** levels. Applicants must have a bachelor's honours degree with first or second class standing or a bachelor's degree with a master's degree in business management or related areas from a recognised institution. The appointees will contribute to the research and teaching areas of SLIIT Business School. We are particularly seeking applicants in one or more of the following areas:

- Business Analytics
- Quality Management
- Human Capital Management
- Accounting & Finance
- Logistics & Supply Chain Management
- Marketing Management
- Management Information Systems
- Business Management

**SLIIT offers a competitive salary and benefits package commensurate with qualifications and experience.**
