FACULTY OF COMPUTING

ACADEMIC VACANCIES

The Sri Lanka Institute of Information Technology (SLIIT) is a pioneer in the higher education sector of Sri Lanka and offers undergraduate and postgraduate degrees in a wide range of disciplines (www.sliit.lk). It is committed to providing the best student experience through a dedicated group of academic and non-academic staff members.

The Faculty of Computing at SLIIT is the home of more than 150 academic staff and an ever-growing cohort of undergraduate and postgraduate students. The faculty offers cutting edge undergraduate and postgraduate programs and encourages a strong research culture. In addition to Bachelors and course-work based Masters programs, the Faculty of Computing offers MPhil and PhD degree programs as well. The undergraduate programs are accredited by IET of UK and the Computer Society of Sri Lanka.

We are inviting top-ranked applicants for positions at the ranks of Lecturer, Senior Lecturer, Senior Lecturer (Higher Grade), Assistant Professor, Associate Professor and Professor levels. The appointees will contribute to the research and teaching in the broad areas of Information Technology, Computer Science and Computer Engineering. We are particularly seeking applicants with strong track-records in one or more of the following areas:

- Cyber Security
- Data Science
- Embedded Systems
- Software Engineering
- Computer Science
- Data Communication and Networking
- Interactive Media
- Cloud Computing
