

Vacancy for Consultant – Lubricant Market

The Public Utilities Commission of Sri Lanka (Commission), in its capacity as the designated regulator of the lubricant market, is seeking a qualified and experienced candidate to advise and assist the Commission in the regulation of the lubricant market.

The primary responsibility of the Consultant would be to coordinate the process of establishing the regulatory framework and build regulatory capacity within the Commission as well as to carry out the activities of the Commission in the lubricant market.

Qualifications and Experience:

- Basic degree in Science (chemistry preferred) or engineering (chemical, mechanical or marine preferred)
- Minimum of 20 years of relevant experience in supply chain, sales or technical in the petroleum or related industry out of which 10 years of management position in the lubricant market
- Knowledge and experience in local and international lubricant markets
- Consulting experience, local and international

The duration of the contract will be for one (01) year with the option of renewal based on successful performance. Only shortlisted candidates will be called for an interview. Applications along with Bio-Data should be submitted by the registered post or email careers@pucls.gov.lk before 11th August 2021 to the following address.
