## Early Childhood Development Project (ECDP)

Reorganizing the importance of the role of Early Childhood Development (ECD) in achieving the country's long-term development goals, the government of Sri Lanka (GOSL) has decided to increase its support to the sector through the World Bank supported Early Childhood Development Project with the objective of enhancing equitable access to and improving the quality of ECD services across the country. The Project is organized under two components 1) expanding and strengthening the delivery of ECD services, and 2) project management and monitoring and evaluation.

The plantations component of project is seeking suitable qualified candidate for the following position.

### Technical Officer (Civil)

#### Duties and Responsibilities

- Performing regular inspections of sites and scheduling visits.
- Producing CAD drawings according to specifications.
- Evaluating all construction and processes and ensuring standardization of quality assurance measures.
- Inspect project sites to monitor progress and ensure conformance to design specifications and safety or sanitation standards,
- Provide technical advice regarding design, construction modifications and structural repairs.

#### Qualifications

1. NDT/ NDES/ HNDE or NVQ level 6 qualification.
2. At least 3 years of experience in building construction.
3. Age-Preferably below 35 years

Remuneration will be on qualifications and experience. Appointment will be made on contract basis. Applications giving full bio-data with two non-related referees, indicating the position on the top left corner of the envelope should be sent within 10 days of date of this advertisement to the below address or email to **vacancies@phdt.lk**
